PROFESSIONAL EXPERIENCE

Hamilton Elementary – Sanford, FL

May 2023 – Current

4th Grade Team Lead

- Mentored fellow educators through my certification in instructional coaching, implementing strategies that improved instructional practices and elevated student achievement
- Implemented targeted teaching methods by personalizing intervention instruction to meet individual needs, which drove student proficiency on the math state exams from 40% to 100%, outperforming the state average of 58%.
- Developed a workshop for more than 60 educators on Total Participation Techniques, empowering teachers with innovative strategies, which boosted their student engagement based on the county's mission by 15%.
- Spearheaded weekly collaborative planning sessions with a team of educators, fostering a culture of shared best practices, creating streamlined lesson plans, and continuously improving teaching methodologies, resulting in a 20% increase in teaching proficiency.
- Analyzed student data and test scores to evaluate understanding after each lesson, adjusting lesson plans and reteaching as needed, leading to consistently above-average proficiency scores over six years.

Hamilton Elementary – Sanford, FL

May 2022 – May 2023

3rd Grade Teacher

- Designed over 10 integrated curriculum units for multiple grade levels by collaborating with a colleague to provide cohesive subject instruction, resulting in enriched student learning experiences throughout the academic year.
- Led multiple professional development workshops for over 20 educators from different schools in the county, delivering county-mandated curriculum and instructional updates to ensure a smooth transition for the upcoming academic year.
- Built strong relationships with parents through in-person meetings and family nights, providing resources to support their children at home and strengthen the home-school partnership.

Hamilton Elementary – Sanford, FL

Kindergarten Teacher (Hybrid)

August 2019 – May 2022

- Adapted curriculum and instructional methods for virtual learning, then seamlessly transitioned to a hybrid model, effectively meeting the diverse learning needs of 28 kindergarten students through both online and in-person instruction.
- Leveraged external resources by collaborating with a scientist from St. John's River Management to develop an interactive curriculum, including a live Skype session with 6 kindergarten classes, engaging students in real-world scientific inquiry and enhancing their learning experience.
- Crafted comprehensive English Language Arts lesson plans and digital slides for a county-wide reading unit, providing essential resources to enhance literacy instruction across the district.
